

# YOUR LIBRARY HAS GONE MOBILE

**Go Beyond the walls of your library with the Destiny Quest mobile app!**  
*Browse the school library's collection anytime, anywhere*

Denison Middle School is proud to announce that students and staff can now use the powerful searching application, **Destiny Quest mobile** app, to browse the library's collection – anytime, anywhere - from an Apple iOS or Android mobile device.

To get started, download the **Destiny Quest mobile** app from the [App Store](#) or [Android Google Play](#).

To set up the app, Input the following Destiny web address (or URL) (<http://destiny.polk-fl.net>), select our school, and then type in the student username(lunch number) and password (justread).

Students may then access their checkout record, renew books, and search the library catalog and the library databases all from their mobile device. We know everyone will enjoy this new service!

Teachers, you can log into your Destiny Quest account as well...

Your username : SAP #

Password: first 4 letters of last name, last four numbers of SS#
